

SOUTHWEST BAPTIST UNIVERSITY

Parent's Association

Southwest Baptist University is a Christ-centered, caring academic community preparing students to be servant leaders in a global society.

The Parents Association was formed to promote communication and positive relations between the University and the parents of SBU students. Membership in the association provides parents and siblings the opportunity to stay informed of University activities while receiving multiple benefits beyond the cost of membership. This is an excellent way to keep in touch.

- Rob Harris, Dean of Students
