In their first Fall semester, all declared Art Majors should enroll in Art 1103 & ART 1203.

In their first Spring semester, declared Art Education Majors should enroll in FAR/ART 1013 & two of the following studios: ART 2003, ART 2023 or ART 2033.

Art History I & II should be taken in the Sophomore year.

Due to the complex nature of the creative process and the time required for the production of artwork, art majors should enroll in two or three studios per semester but avoid taking more than three studio courses per semester.

Art Majors should expect to spend (on average) six hours per week outside of class in the studio, for each three hour studio course in which they are enrolled. (Three studio courses would indicate a minimum of 18 hours per week working independently to complete art projects).
