CLOSE BLOCK RACE

Senior David Henderson needs one block to finish second on the season in blocks in a season and he is one behind Trousdell on the career blocks list with 63. He has 39 blocks on the year and 63 career blocks in only two years at SBU.

Sophomore Arthur Trousdell is just two blocks behind Henderson for the race to #2 on the season. Trousdell has 37 blocks this year and has recorded 64 career blocks. He had 27 blocks last year in his freshman season.

ELIMINATED

A combination of the loss to Central Missouri State and UMR defeating Truman, SBU was eliminated from the Sonic/MIAA Tournament. It is the second season in a row that SBU has not made the Tournament. SBU was last in the MIAA Tournament in the 2001-02 season.

HITTING THE THREE

Senior Jarrett Brown will leave SBU as a three-point artist. He will be in the top five in the season record books for three-pointers.

By hitting 75 three-pointers in one season, he is now tied for third place for made three-pointers in a season. He needs to make four more three-pointers and he will be in the second spot. He has also taken 173 attempts from three-point range which also puts him in the top five in the third spot.

FINISHING STRONG

After sitting out with an injury since the January 20th, senior David Couthie made an appearance in the Central Missouri State game. He came in the second half and scored four points and grabbed three rebounds in eight minutes. He is the only Bearcat senior to play four years at SBU.

He played in 91 career games and started 59 of those games while averaging 10 ppg and grabbing 239 rebounds. He has made 45% of his shots and recorded 137 three-pointers, which is good for third on the all-time careers list. He also took 351 shots from the three-point line and that lands him in the third spot for all-time career three-point attempts. He just needs two more attempts and he will move into the second spot. In January 2003, he scored a career-high 31 points vs. CMSU.
