Section: Academic Policies and Procedures

Subject: Behavior in the Classroom, Laboratory and Clinical Setting

Purpose: Define expectations of student behavior in the classroom, laboratory and clinical setting as it pertains to the Athletic Training Education Program.

Policy:

All students are expected to exhibit professional conduct in all academic and clinical settings. Students are expected to conduct themselves in a manner that insures all students have the opportunity to learn and participate.

Students in the classroom shall behave in a way that is respectful to the instructor and to fellow students. Students shall conduct themselves in a way that facilitates learning for all students. Any behavior that interferes with these opportunities is considered inappropriate.

Inappropriate behavior may result in a request for the student to leave the class, lab or clinical setting. After the first incident of inappropriate behavior the instructor or Chair will discuss the behavior with the student. The behavior and behavior counseling will be documented and will become a part of the students file. A second occurrence of inappropriate behavior will be referred to the Dean of Students.
