Subject: Leaving and Returning to the Athletic Training Education Program

Purpose: To define the policy to students before they potentially leave and return to the ATEP as it pertains to the Athletic Training Education Program.

Policy:

If a student leaves the program for any reason and then wishes to return, the student must reapply for entry into the Athletic Training Education Program. There is no guarantee the student will be accepted into the program, due to the limited number of positions.

Credit already received from previous course work will be applied to the student's record. The student must start at the point in which they left and continue the lock-step sequence of the program.
