Section: Academic Policies and Procedures

Subject: CPR and First Aid Certification

Purpose: To define the expectations of students as it applies to the Athletic Training Education Program.

Policy:

Students must maintain current CPR and First Aid Certification throughout the professional phase of the program. The student is responsible for obtaining and retaining these certifications. A copy of proof must be on file with the program. Failure to obtain and maintain certification will result in the withholding of the student from the athletic training clinical education courses.
