CLASSROOM BEHAVIOR STRATEGIES

PRESENTED BY

BARBARA RIEDESEL

BEHAVIOR SPECIALIST

BOLIVAR EXCEPTIONAL PUPIL COOPERATIVE

Classroom management and behavior/discipline strategies are often challenges for beginning teachers. This seminar will address strategies to help the beginning teacher determine appropriate tactics for their classroom.

The initial certificate (IPC) is valid for four years. During the valid dates of this classification, a teacher is required to participate in a beginning teacher assistance program. This seminar will help qualify the participant to advance to the next level of certification.
