Master of Arts in Christian Ministry

Mission of the Program
The mission of the Master of Arts in Christian Ministry program is to prepare men and women who are called to the ministry to apply theological studies to kingdom initiatives that build up the Church and contribute to the welfare of the community.

Vision of the Program
The Master of Arts in Christian Ministry is a practical theology degree. In contrast to undergraduate programs, in which the curriculum is divided along the lines of theoretical and practical studies, the graduate program is thoroughly integrated, combining theological studies and ministerial studies in every course. The intent and purpose of this integration of theory and practice is to train and equip students to apply theological knowledge to practical ministry initiatives in fruitful and innovative ways.

Admission Requirements and Academic Regulations
Students may be admitted to the Master of Arts in Christian Ministry program according to the following classification categories:

1. Fully Admitted – The student meets all admission standards, has completed all prerequisites, and has been admitted to the program of study.
2. Conditionally Admitted
   a. Contingent Admission – Students who have not completed the academic program prerequisites are conditionally admitted to graduate study. All students admitted to the 4+1 track will be contingently admitted. Students admitted to the 4+2 track who have completed less than thirty hours of coursework in the relevant areas (see Prerequisites, below) will be contingently admitted. Students contingently admitted to the program
will have their status changed to “Fully Admitted” if/when their prerequisites are completed. Students may take no more than twelve semester hours of graduate courses without satisfying program prerequisites.

b. **Academic Probationary Admission** – Students whose grade point average is less than 2.75 overall or 3.00 in their undergraduate majors, or whose bachelor’s degrees are from institutions lacking regional accreditation are conditionally admitted to the program. At the end of their first semester, or the completion of nine hours of graduate work (whichever comes later), students provisionally admitted to the program will have their status changed to “Fully Admitted” if the grade point average for their graduate coursework is 3.00 or higher. Students who fail to meet this benchmark may be dismissed from the program. The final decision either to dismiss a student from the program or to extend the student’s probationary period will be made by the Graduate Division Head, in consultation with both the Dean and the student’s advisor.

3. **Non-Degree-Seeking Admitted** – The student meets all admission standards, has completed all prerequisites, and desires to take some courses in the program for credit, but does not intend to pursue the degree. Students admitted to non-degree-seeking status may at a later time petition the Graduate Admissions Committee, in writing, to have their admissions status changed to a degree-seeking status (either Fully Admitted or Conditionally Admitted). Such petitions are not automatically granted, but will be decided by the Graduate Admissions Committee. (Note: Students who wish to take courses for personal enrichment, but not for credit, may audit courses in the program without meeting admission standards or completing the prerequisites.)

The following is required of students seeking full admission to the Master of Arts in Christian Ministry program:

1. Bachelor’s degree from a regionally accredited college or university;
2. Minimum undergraduate grade point average of 2.75 overall, and 3.00 in major (on a 4.00 scale).

In addition, applicants to the program must submit the following materials:

1. Completed “Application for Graduate Admission” to the Master of Arts in Christian Ministry Program;
2. Official transcripts from all colleges, universities, or seminaries attended;
3. Graduate Admission Essay;
4. Three letters of recommendation that speak to the character and academic ability of the applicant: one from a college professor, one from a pastor or mentor, and one from a fellow member of the applicant’s church.

As noted above, admission to the 4+1 track is a contingent admission. Those applying to the 4+1 program while undergraduates at SBU must submit the same materials listed above (items 3. – 6.) However, in the case of incoming freshmen who are applying concurrently to the SBU undergraduate program and to the 4+1 track of the graduate program in Christian Ministry, a letter of recommendation from a high school teacher may be submitted in place of a letter from a college professor, and high school transcripts may be submitted in place of college or university transcripts.

**International Students**

International students must meet the admission requirements for the M.A. program. Official records not in English must be accompanied by an official translated record. All records should show the individual subjects studied and the grades received in each subject.
Prerequisites

The Master of Arts in Christian Ministry program requires that students have prior knowledge in certain areas of study before fully pursuing the M.A. The purpose of these prerequisites is twofold: (1) to promote a greater likelihood of student success in completing the program; (2) to facilitate instructors of graduate courses in designing course content (establishing reasonable expectations concerning the background knowledge of students enrolling in the courses). To satisfy each prerequisite, students must have completed the course or an approved equivalent from a regionally accredited institution, having earned a grade of C or better.

The prerequisites for the M.A. in Christian Ministry are as follows:

- Either (i) a major in biblical studies, theology, philosophy, ministry, intercultural studies, Christian studies, or religious studies, or (ii) 30 hours of undergraduate coursework in these areas.
- The coursework completed in the aforementioned areas must include the following courses or some transfer equivalency:
  - BIB 1013 Old Testament History
  - BIB 1023 New Testament History
  - BIB 2093 Methods of Biblical Interpretation
  - CHR 3013 Introduction to Ministry
  - PHI 2013 Philosophical Foundations for a Christian Worldview
  - SPF 2012 Introduction to Spiritual Formation
  - THE 3113 Christian Doctrine
  - THE 3463 History of Christianity I or THE 3673 History of Christianity II

Students accepted to the 4+2 track with a status of “contingently admitted” due to deficiencies in their prerequisite coursework may complete these courses at SBU at the current graduate tuition and fee rate.

Transfer Credit

Nine graduate semester hours completed at another regionally accredited institution may be transferred and applied to the degree. These credits must be comparable to courses offered in the M.A. program in Christian Ministry at SBU and must be approved by the Graduate Admissions Committee.

Academic Probation

Graduate students must earn a grade of C or higher to receive credit for a graduate course towards the completion of the degree. Graduate students whose overall GPA falls below 3.00 will be placed on a status of academic probation. Students placed on academic probation must raise their overall GPA to a minimum of 3.00 by the end of the following semester—or, in the case of a student who is taking less than nine hours per semester, at the completion of nine additional credit hours—in order to be returned to non-probational status. Students who fail to meet this benchmark may be dismissed from the program. The final decision either to dismiss a student from the program or to extend the student’s probational period will be made by the Graduate Division Head, in consultation with both the Dean and the student’s advisor.

Degree Requirements

Students are eligible to graduate after fulfilling the requirements described below. Students who enroll in another college or university without prior permission of the Graduate Division Head are considered to have withdrawn from Southwest Baptist University. Students wishing to transfer work from another
institution and not withdraw from Southwest Baptist University must obtain prior approval from the Division Head as well as the Dean of the Geneva Casebolt College of Arts and Sciences.

**Master of Arts in Christian Ministry**

To receive the M.A. degree, a student must:

1. Meet all graduate admission standards, including completion of a baccalaureate degree, and completion of admission application and file.
2. Complete a plan of graduate study consisting of at least 42 semester hours.
3. Maintain a graduate level GPA of at least 3.00 on a 4.00 scale with no grade below a C (2.00). Students receiving two grades of “F” are automatically dismissed from the graduate program. Students may reapply for admission after a mandatory one-year suspension.
4. Complete all degree requirements within five years of being fully admitted to the program.
5. Participate in commencement exercises unless absence is approved by the Provost.

**Program of Study**

The Master of Arts in Christian Ministry is a non-thesis, 42-hour degree, culminating in a Ministry Project Capstone. The program is designed for students who have (or are seeking) a bachelor’s degree in Christian ministry, biblical studies, intercultural studies, Christian studies, religious studies, theology, or philosophy, and who desire advanced study in ministry in order to serve the Church more purposefully.

Students must complete four **CORE courses** (12 hours), nine **electives** (27 hours), and the **Ministry Project Capstone** (3 hours). The program of study will be designed by the student and faculty advisor, informed by the student’s ministry goals and the courses offered. A typical full-time student will enroll in nine to twelve credit hours per fall and spring semester (with a reduced course load for the final semester, in which the Ministry Project Capstone takes place), three credit hours per summer term, and three credit hours per Winterfest term. No more than twelve credit hours of graduate coursework will be allowed in a single semester.

There are two tracks for pursuing the M.A. degree in Christian Ministry: a “4+1” track and a “4+2” track.

The **4+2 track** is for students who have already graduated with a bachelor’s degree. On this track, the degree is designed to be completed in two years. The following is a typical program of study for those on the 4+2 track:

- **First year graduate**
  - Fall: 9 hours
  - Winterfest: 3 hours
  - Spring: 9 hours
  - Summer: 3 hours

- **Second year graduate**
  - Fall: 9 hours
  - Winterfest: 3 hours
  - Spring: 6 hours (including Ministry Project Capstone)

The **4+1 track** is for incoming or current SBU undergraduate students who anticipate getting both their bachelor’s and master’s degrees at SBU in a span of five years total. Students may concurrently enroll in up to twelve hours of specially designated upper-level division courses that will count for both their undergraduate and graduate requirements (see Concurrent Enrollment Courses, below). The following is a typical program of study for those on the 4+1 track:
Second semester junior undergraduate (at least 80 hours completed)
  - Spring: 3 hours (concurrent enrollment)

Senior undergraduate
  - Fall: 3 - 6 hours (concurrent enrollment)
  - Spring: 3 - 6 hours (concurrent enrollment)

First year graduate
  - Summer: 3 hours
  - Fall: 9 - 12 hours
  - Winterfest: 3 hours
  - Spring: 9 - 12 hours
  - Summer: 3 hours (Ministry Project Capstone)

Concurrent Enrollment Courses
SBU undergraduates who have been admitted to the program (4+1 track) and have completed 80 hours of coursework and all course prerequisites are eligible to enroll concurrently in the following courses. Students who successfully complete these courses will receive both undergraduate credit (appearing on the student’s transcript as a 3000 or 4000 level course credit) and graduate credit (appearing on the student’s transcript as a 5000 level course credit). Students may earn up to twelve hours of graduate credit through concurrent enrollment. Graduate students currently enrolled in the M.A. program are also eligible to take the following courses for graduate credit.

The list of approved concurrent enrollment courses for the M.A. program is as follows:

- BIB 3033 / MIN 5033 Old Testament Hymnic and Wisdom Literature

- Leadership: Leadership and the Old Testament or Preaching and Teaching the Bible
- Theology: Christian Theological Traditions or Contemporary Christian Theologies
- Community: Kingdom and Society or Church and Community
- Service: Theology and Practice of the Local Church or Disciple-Making in Context

Electives
Students are required to take at least nine elective courses. The M.A. in Christian Ministry is designed to be a flexible program, allowing students to select courses that emphasize areas of study that are conducive to attaining the student’s own vocational and ministry goals. Towards this end, each student
will work closely with a faculty advisor in designing an appropriate schedule. The following is the list of courses from which students will choose to fulfill the electives requirement of the M.A. program:

- MIN 5003 Ethics
- MIN 5013 The Problem of Evil
- MIN 5023 Indigenous Christian Community
- MIN 5033 Old Testament Hymnic and Wisdom Literature
- MIN 5043 Christ and Salvation

- MIN 5453 The Ministry of Leadership

No single course can be counted toward both the CORE and electives requirements. However, students who take one of the CORE classes in a certain category may then take the other class in the “pairing” as an elective: for example, a student who takes MIN 5103 (Leadership and the Old Testament) for the Leadership category of the CORE may then take MIN 5113 (Preaching and Teaching the Bible) as an elective.

**Ministry Project Capstone**

The ministry capstone course (MIN 5983) and project serves as both an application and a substantive assessment of what the student has learned from the Master of Arts in Christian Ministry program. It is comprised of an in-class component and an off-site component. The former is a team-taught course involving regular meetings throughout the semester in a classroom setting. The latter is a student-designed project, developed in consultation with the student’s advisor, the Division Head, and an on-site supervisor at a church or parachurch organization where the ministry will take place, and guided and evaluated by the student’s Capstone Committee.

Initially, the project proposal will be developed by the student and presented to his/her advisor at the time of the portfolio review. The portfolio review must take place within two weeks of the beginning of MIN 5983. The portfolio consists of all major assessments, including midterm and final papers, along with any exams that the student was allowed by his/her professors to keep. The student will discuss the portfolio with the advisor, addressing in particular the issue of how the proposed ministry capstone project will build upon the body of knowledge and work that the students has completed up to that point. The proposed ministry project must involve a minimum of 200 hours of field work, and the proposal must include a timetable for completion of the project.
Once the advisor is satisfied that the project is viable and well-conceived, the student will consult with the Division Head, who will either approve the project, or, if the project is judged to be deficient in some way, send the student back to the advisor for further consultation. In the event of the latter, the Division Head’s reservations must be expressed in writing, and copies sent to both the student and the advisor. The process will then repeat until approval of the proposal is granted by the Division Head.

Once the project has been approved, the student will begin the project in accordance with the agreed upon timetable. Guidance for the project throughout, and evaluation of the project at its completion, will come from the student’s Capstone Committee. The Capstone Committee is comprised of the student’s advisor, the Graduate Division Head, and one of the faculty members co-teaching MIN 5983 during the semester in which the student’s project takes place. (In certain cases, two of these roles could be fulfilled by the same individual, in which case the student’s Capstone Committee will be comprised of only two members.)

Immediate oversight for the project will come from a designated individual at the church / parachurch organization with which the student is working. Students must make arrangements with the organization for this oversight to take place, and details of the arrangement must be included in the proposal and thus approved by the student’s advisor and the Division Head. This on-site supervisor is not a part of the Capstone Committee, but will advise the Committee on the student’s progress and quality of work. The supervisor will be asked to give a monthly report to the members of the Capstone Committee, who will consult with the student in the case of any concerns. Further guidance will be provided by the classroom meetings of MIN 5983, in which ideas, insights, challenges, concerns, etc. associated with the students’ developing ministry projects will be shared, discussed, and addressed.

At the completion of the project, the student will write up an evaluation / self-assessment of the project, and will then meet with the members of the Capstone Committee for a final review. Following the review, the members of the Committee will meet to decide on a grade for the ministry project / capstone course, which the Division Head will then report to the student.

The following is required for successful completion of the requirements of the Ministry Project Capstone:

1. Assemble a portfolio of all assignments for the M.A. program.
2. Create and implement a Master’s Ministry Project in a (typically local) church or parachurch organization.
3. Evaluate and present the Master’s Ministry Project.
