Divisions Within the College

- Business

Mission Statement

The Robert W. Plaster College of Business equips students to pursue academic excellence through business programs with a biblical worldview in a caring environment committed to the principles of free enterprise.

Vision Statement

The Robert W. Plaster College of Business strives to be the premier provider of business programs among evangelical Christian universities, preparing Christ-centered servant leaders who leverage their academic experience for Kingdom service.

Core Values

The core values of the Robert W. Plaster College of Business are:

1. Integrity: Practicing the highest moral standards.
2. Service: Helping others through academic, professional, and community activities.
3. Respect: Honoring others through words and actions.
4. Charity: Loving one another.
5. Faithfulness: Remaining committed to God and biblical principles.
6. Truthfulness: Pursuing honesty through the Word of God.
7. Humility: Approaching all situations with a humble attitude.
8. Perseverance: Persisting in the face of challenges.
9. Professionalism: Exhibiting compassionate competence.
10. Excellence: Striving for greatness.

Specialized Accreditation

The Accreditation Council for Business Schools and Programs (ACBSP) has accredited the following programs at Southwest Baptist University:

- Accounting, B.S.
- Accounting and Information Assurance, B.S.
- Business Administration (Traditional), B.S.
- Computer and Information Sciences, B.S.
- Master of Business Administration, M.B.A.

The traditional business administration programs that are accredited include Management, Marketing, Economics/Finance, Public Relations, and International Business. The programs offered within the Business Division that are not accredited by ACBSP include the General Business (Non-Traditional), B.S. which is primarily offered on the online campus. Furthermore, the following majors within the Business Division are not currently accredited: Computational Finance, Cybersecurity Management, Digital Marketing, and Sport Business.

Faith Integration

Faculty in the College are committed to the University mission statement and to the College mission statement, which explicitly directs instruction of the College disciplines from the context of a Christian worldview. In addition to providing a strong and rigorous curriculum in each of our specialties, our duty as Christian scholars is to help frame both our discipline and the practice of that discipline within a biblical and more specifically, a Christian context. This commitment to integrate discipline with Christian faith and practice occurs throughout the courses taught within the College. Furthermore, the College has adopted Psalm 15 as a guiding principle for our students. The College is specifically dedicated to producing “Psalm 15 Professionals” for servant leadership roles in business. Using Psalm 15 as a basis, eight character traits that should be hallmarks of students and graduates of the College have been identified. These character traits are highlighted each semester and include: Integrity, Service, Respect, Charity, Faithfulness, Truthfulness, Humility, and Perseverance. Psalm 15 lectures, panel discussions, or other events are held each semester featuring guests who relate their professional experiences to the Psalm 15 themes for the semester communicating how to live out a Christian worldview in their profession.

General Information

The College offers undergraduate degree programs with majors and minors within a variety of areas. Students in other fields of study are encouraged to consider one of the many minors in the various business programs in order to enhance their careers. All policies of the University apply to students who major or minor in College programs. Students must satisfactorily complete 128 hours of approved course credit in order to graduate with a baccalaureate degree. The standard semester course load required in order to earn the baccalaureate degree in eight semesters (4 years) is 16 hours. All elective courses to be applied toward the major(s) and minor(s) must be approved by the student's advisor in the College. Students may complete two majors within one area of the College. The College faculty believe assessing educational outcomes is important. Outcomes assessment is a way to evaluate College programs and academic achievement of students in relation to similar colleges. Therefore, all graduating seniors are required to participate in an appropriate exit exam.

Division of Business

Division Head: Nathan Wright

Office: Taylor 123; (417) 328-1753

Faculty: Troy Bethards, Levi Bridge, Angela Brown-Peterson, Kristin Hamm, Ryder King, David Liu, William Marr, Jenell Wagner

Faculty Associates: Denby Bash, Jeremy MacLaughlin

Mission Statement

The Division of Business provides a broad curriculum of study in business-related courses with a Christ-centered worldview, preparing students for diverse, ever-changing, global careers, and equipping them for continued education and service.

All students pursuing a program within the Business Division must maintain a minimum GPA of 2.25 and earn no more than two “D” letter grades within the Business core curriculum. Students also are required to maintain a minimum GPA of 2.25 and earn no more than one “D” letter grade within courses specific to the major (This does not apply to majors within the Accounting area. Refer to the Accounting area for requirements related to their majors).

All students pursuing a major from the Business Division are required to complete a common body of knowledge, referred to as the “Business Core Curriculum,” in addition to the University's general

education requirements, graduation requirements and the courses required and approved for students' majors within the College. The 45-hour Business Core Curriculum includes the following courses:

Area of Accounting

The Accounting area provides programs of study to prepare Accounting graduates for diversified careers in the practice of public accounting, not-for-profit accounting, internal auditing, federal taxation, and general accounting management, all with a Christ-centered worldview in order to prepare the graduates to be servant leaders in a global society.

The area of Accounting offers two Bachelor of Science degrees, one in Accounting with an academic program that covers the conceptual basis of accounting and the application of accounting concepts in current practice. This major has two tracks. The Public Accounting track prepares students to pass the CPA exam and practice in public accounting. The Accounting track is well suited for students who plan to practice in private accounting or obtain a master degree. The second degree in Accounting & Information Assurance includes the Accounting major and additional coursework in Computer Information Science. This expanded degree prepares the graduate with a fundamental understanding of accounting practices, information system design, data management and security, and data forensic principles. Accounting graduates are in high demand in business, government and non-profit organizations. A minor is also available in Accounting.

Students applying for the CPA exam must meet the Missouri State Board of Accountancy requirement of completing 150 hours of college credit. Accounting majors may consider additional undergraduate or graduate course work at SBU to satisfy the 150-hour requirement. The Accounting & Information Assurance major virtually assures 150 college credit hours will be earned.

In order to progress into the accounting major or minor and be eligible to enroll in ACC 3023 or ACC 3024, a student must have at least a 3.00 cumulative GPA in all previous accounting classes, a 2.75 cumulative overall GPA in all classes taken at SBU, and at least a "B" grade in BUS/MAT 1193, MAT 1195,

or its equivalent. Remedial courses such as ENG 0103 and MAT 0243 do not count toward the 2.75 overall GPA.
