Mission Statement

The Geneva Casebolt College of Music, Arts and Letters fosters academic excellence in a Christian community that integrates communication skills, creativity, appreciation of the arts, and an understanding of cultural heritage.

Vision Statement

The Geneva Casebolt College of Music, Arts and Letters accomplishes its mission by:

- Encouraging members of the college to integrate academic pursuits, Christian faith, and critical thinking;
- Developing understanding through the study and practice of music performance, history, theory, education, ministry and the music industry;
- Teaching basic art techniques and creative production, the history of Western art, and the art of multiple cultures and time periods;
- Fostering the development of visual and verbal communication through the study and practice of public speaking, interpersonal and intercultural principles, media, public relations, journalism, and theatre; and
- Teaching expository and creative writing, the history and structure of the English language, foreign languages, and the literatures of multiple cultures and time periods.

The Geneva Casebolt College of Music, Arts and Letters serves students by providing liberal arts and professional programs, and by laying a foundation for lifelong avocational involvement in the fine arts and humanities. The college serves churches, schools and the community by preserving and communicating our cultural heritage, and by preparing students for future service and leadership. The college has four departments: Art, the Bob R. Derryberry School of Communication Arts, Language and Literature, and Music.

DEPARTMENT OF ART
Department Chair: David Platter
Office: Jester Learning and Performance Center 144 - (417) 328-1650
Faculty: Grant Cochran
Faculty Associates: Steven Brown, Deborah Gilley

Mission Statement

The Department of Art facilitates and promotes excellence in the visual creative process.
Vision Statement

The Department of Art aspires to:

- Identify the human creative process as a reflection of God’s creative nature;
- Introduce students to a broad range of creative techniques and visual media;
- Encourage understanding and interpretation of art within the social and historical context;
- Prepare individuals to perform successfully in a highly competitive art industry;
- Send Art Educators, Commercial Artists, and Fine Artists into the workplace as servant leaders;
- Encourage the individual’s life-long exploration, development, understanding and production of visual forms of expression and communication.

The art student can pursue one of three degrees or a specified art minor offered by the department. The 46-hour Art Core is nearly identical for each art degree, and will allow ease in moving from one degree to another within the department. The Art Core is designed to give students significant exposure to a wide variety of art medium, and a solid visual art foundation.

A course designed around the art studio and the production of art product requires significant time and serious commitment by the individual student. Generally students are unable to complete projects in the allotted scheduled class times. The student will be expected to log additional unsupervised time in the studios. As a general rule, art programs throughout the U.S. expect every credit hour of studio coursework to represent three hours of work done in the art studio. For a three-credit-hour course at SBU, the student meets in the classroom with the instructor for three hours per week and is expected to spend an additional six hours in the studio for minimum combined (supervised/instructional and unsupervised) studio time of nine (9) hours per week. It is imperative that each student plans this additional time into his or her schedule. If a student is enrolled in three studios courses, she or he will spend nine hours of scheduled course time with the instructor(s) and should plan to spend an additional 18 hours of time per week working independently in the studios. This may seem excessive to the beginner but the professional art world is highly competitive.

All art majors are required to keep a portfolio of their work and present a comprehensive exhibit of work approved by the department during their senior year. The Department of Art reserves the right to retain the repetitive examples of work from all studio courses for the permanent collection of Southwest Baptist University.

Pictorial and graphic art has significant impact and power; and the study of art, aesthetically and historically, provides a basis and an avenue for personal creative expression, both for the fine artist and the commercial artist. Visual art is a contextual language, both a by-product and a catalyst of the culture. Well-trained, highly skilled artists have a unique opportunity to impact the world around them.

General Art Major - B.S. Degree

The Bachelor of Science degree for the General Art Major is designed to give the serious art student a solid, broad based foundation in the visual arts and can be earned with the completion of the specified 46-hour Art Core. This major affords the student optimum flexibility and can be supplemented with an additional major or minor from another department. This degree is designed for the individual who is seeking a degree in art for the sake of art alone, or as a way to enhance and enrich his or her quality of life.

This degree is also for the student planning to pursue a graduate degree in studio art, the Master of Fine Arts (M.F.A.). This student is strongly encouraged to add at least one optional 18-hour specified Studio Concentration to the 46-hour Art Core. The M.F.A. is the terminal degree in Studio Art and is the degree generally required to teach at the college level. With the B.S. degree all art courses can be applied to the 128 hours for graduation.

Commercial Art Major - B.S. Degree
(a minor in another area is optional)

The Bachelor of Science degree for the Commercial Art Major is designed for the highly motivated individual wanting to pursue a career in Graphic Design or Digital Imaging. The commercial art industry is a competitive market but the
opportunities are virtually endless. Graphic designers serve the community in virtually all industries. Any publication: newspaper, magazine, annual report, letterhead, business card, menu, catalog, ad, etc., has passed through the hands of a graphic designer.

All students in the commercial art program must complete the specified 46-hour Art Core, the 12-hour Commercial Art Core and a minimum of one 12-hour Commercial Art Concentration in graphic design or digital imaging. The practicum and internship workplaces must be specifically related to the students’ area of concentration. As part of the experience of functioning in the business world, students will be required to locate their own workplaces (subject to the approval of the Department of Art) for the practicum and internship. Suggestions for workplaces may be obtained from the department.

### DEPARTMENT OF LANGUAGE AND LITERATURE

Department Chair: Holly Hill-Stanford  
Office: Jester Learning and Performance Center 222 - (417) 328-1682  
Faculty: Carla Kirchner, Todd Sukany  
Faculty Associates: Laurel Becker, Sherry Shoemaker, Meiling Siegfried

### Mission Statement

The Department of Language and Literature creates a Christian atmosphere in which students are taught to write effectively, comprehend the nature of language, understand literary traditions, think critically about literature and language, and foster an awareness of humankind.
Vision Statement

The Department of Language and Literature accomplishes its mission by

- encouraging students to integrate their academic pursuits and Christian faith;
- helping students to develop skills in written communication;
- teaching students to understand the nature of the English language;
- teaching students to read, analyze, and evaluate literary expressions; and
- helping students to understand literature as an expression of humankind.

The Department of Language and Literature offers courses in both English and modern languages.

In addition to offering foreign language courses on the Bolivar campus, Southwest Baptist University offers a wide selection of foreign language courses through the Foreign Language Institute in Springfield, Missouri. Those interested in such courses should speak with the chairperson of the Department of Language and Literature.

To evaluate its programs and the academic achievement of its students, the Department of Language and Literature requires all graduating English, writing and Spanish majors to participate in prescribed departmental methods of assessment.

English

The study of the English language and literature is directed toward helping students acquire skills in writing effectively and in reading and evaluating literature. The variety of courses offered suggests both the need students have for communicating their ideas clearly and the need they have for creating and responding to the aesthetic.

Mission Statement

The Department of Music is a learning environment that inspires and leads its constituents to achieve excellence in performance, scholarship and appreciation.

Vision Statement

The Department of Music accomplishes its mission by:

- Encouraging the highest levels of artistic achievement in a variety of performance media;
- Recognizing the value of historical and cultural perspective and scholarship in the practice and appreciation of the musical art;
- Equipping students for the analysis and application of written and aural theoretical concepts as a means to a deeper understanding and interpretation of the musical craft;
- Developing educators with the foundations of philosophy and methodology necessary for promoting and sustaining comprehensive music curricula;
- Providing opportunities to explore foundational aspects of the music industry;
- Developing ministers with the foundations of philosophy and organization necessary to sustain comprehensive music ministry in service to the church;
- Providing sound advice and guidance to students regarding their curricular and career opportunities; and
- Valuing and modeling Christian integrity, excellence, community, and service for all of its constituents.

General Requirements

In addition to admission to the University, an applicant for a music degree program must be admitted to the Department of Music through the office of the chairman. All new students (freshmen and transfer students) pursuing a music degree are first admitted to the department as pre-music, pre-music education, or pre-church music majors. Upon a successful evaluation by the music faculty, normally at the conclusion of the student's second semester at SBU, these students may be formally admitted into a music degree program. In all departmental policies and procedures, the term “music major” is intended to include these pre-majors. Students must have completed, or be concurrently enrolled in MUS 2613 Theory III and MUS 2611 Sightsinging and Eartraining III in order to enroll in any upper-level music course except ensembles and applied music. Music courses taken prior to this formal admission are applicable to the completion of the music degree. All references to music majors in this catalog are applicable to pre-music, pre-music education, and pre-church music majors as well.

As an exit examination, music majors are required to take the Major Field Test in music at the scheduled time during their last two semesters of study.

Applied Music Placement Tests

All entering freshmen and transfer students must take a classification test in piano and in their primary applied area. The student is expected to present prepared music on his/her primary instrument or voice.
Theory Placement Tests
All entering pre-music, pre-music education, and pre-church music majors who are not transferring theory or sightsinging/eartraining course credits must take a music fundamentals examination in order to determine placement into the music theory sequence and/or to satisfy MUS 1601 Music Fundamentals Lab as a co-requisite course for MUS 1613 Theory I. All theory and sightsinging/eartraining courses taken at another school and transferred in for degree requirements must be tested at SBU for proficiency and/or placement. If all freshman and sophomore theory and sightsinging/eartraining courses have been completed at another school, a placement test is still required to determine readiness to continue in upper-level theory courses. No more than one theory course may be taken by OLIS, and only if taken as a repeated course.

Applied Music
The Department of Music offers three types of lessons: private applied music, secondary class and basic class. Private applied music is for all music majors and minors as well as intermediate to advanced non-majors. Secondary class is the required second applied area of performance, and is automatically piano if the primary applied area is not piano. Basic class is for non-music majors or minors with less than three years of previous study. Specific requirements in applied music are listed in the Music Handbook. Applied music lessons are available in voice, piano, organ and all wind, percussion, and string instruments.

Private applied music may be taken for one credit (thirteen 30-minute lessons) or two credits (thirteen 60-minute lessons). Applied music may be taken for zero credit if it is not a degree requirement. Five hours of practice per week is required per credit hour of enrollment. Majors and minors (except general music minors) must perform once per semester in a student recital on their primary applied instrument. In addition to weekly lessons, music majors are required to participate in a minimum of three studio classes each semester.

Jury Examination
The final examination for private applied music courses will be conducted before a jury of faculty members which includes the student's instructor. Students will be responsible for all materials covered during the semester as well as fundamental techniques and knowledge pertinent to their performing medium. The faculty jury will evaluate student performance according to proficiency levels as described in the Music Handbook. The Handbook also describes the expected rate of progression through the various levels required by each degree program. For non-music majors or music majors studying in an area outside of their primary and secondary applied areas, a jury examination is required only for scholarship recipients.

Secondary Requirement
The study in the secondary applied area is intended to establish functional skill on a practical level. Whenever possible a class approach is employed which allows the student two hours per week in directed study. Students with strong background in the secondary applied area may request private study. See Music Handbook for specific requirements.

Piano Proficiency Examinations
All music majors and minors (except general music minors) must pass a piano proficiency examination demonstrating functional piano skill. Scales, vocalises, sightreading, harmonization of given melodies, transposition, and repertoire are included in the exam. Students must continue to enroll in Secondary Class Piano each semester until this requirement is met. The tests are given at the end of each semester and are normally taken at the end of the sophomore year. Any student who passes the Piano Proficiency Examination prior to the completion of four semesters of piano study must continue enrollment in piano or organ until the completion of 4 credits.

Piano proficiency examinations for keyboard majors will be held during juries at the end of each semester. See the Music Handbook for specific requirements.

Music majors are required to receive a passing grade for MUS 0100 Recital Attendance for 6 semesters. This course is graded on a pass/fail system, and requires the student to attend departmental recitals and concerts and certain community music programs. These programs are listed in the Department of Music calendar and are posted each week on the Casebolt Music Center bulletin boards. Minimum attendance requirements for a passing grade will be posted on the bulletin boards at the beginning of each semester.

Keyboard as Primary Applied Area
Each student whose primary applied area is keyboard must be involved in the accompanying program each semester of enrollment with the exception of the student teaching and senior recital semesters. See the Music Handbook for specific information.

Ensemble Requirements
Each semester of enrollment as a music major, the student will audition for and perform in a major ensemble related to the student's primary applied area. Students with piano or guitar as the primary applied area will designate a choral ensemble or an instrumental ensemble as their major ensemble, based on experience and preference, or based upon the specific certification requirements for students pursuing the music education degree. The student must perform in the ensemble to which he/she is assigned. The major ensembles are Concert Choir, SBU Chorale, Wind Symphony, University Band, and Chamber Orchestra.

Music Handbook
Details on all Department of Music requirements are found in the Department of Music Handbook. Music majors and minors are responsible for all information in this handbook, which may be obtained via link to the department’s teamsite on the SBU portal.
