## *Commencement Ceremonies*

Decorum.....	2
FRIDAY, MAY 20	
Bachelor Ceremony – 3 p.m.....	4
Degree Candidates .....	5
Associate Ceremony – 7 p.m.....	12
Degree Candidates .....	13
SATURDAY, MAY 21	
Graduate Ceremony – 11 a.m.....	16
Degree Candidates .....	17
Speaker Biographies.....	29
Academic Leadership.....	30
Commencement Marshals.....	31

*Please take a moment and silence your cellular  
devices to respect those graduating today.*

## *Decorum*

Commencement is a special event to honor all students, both senior and graduate students, who have earned a diploma. The dignity of the college degree and of the academic community should be recognized.

1. Persons attending commencement are requested to remain in their seats during the entire commencement ceremony. Still photographs of individual graduates are available for purchase. Please respect the rights of others to view the ceremony in its entirety without being distracted or having their view blocked by others.
2. Those attending commencement are requested to refrain from applauding except when invited to do so. Loud applause, cheers, etc., often cause the names of the graduates to be “drowned out.”
3. No reserved seating is allowed, except for graduates and commencement personnel.

The awarding of a college degree comes at the end of many years of hard work and dedication. Each person who achieves this goal may view it in a slightly different manner. Each student must respect the rights of his/her colleagues and not celebrate in a way that infringes on the rights of others.

THANK YOU FOR YOUR COOPERATION IN OBSERVING THESE  
GUIDELINES.

### ACADEMIC REGALIA

The history of academic dress dates to the Medieval European universities of the 14th century. European universities continue to follow varied patterns in cut and color of gown and type of headdress. In the United States, the colleges and universities have standardized the academic dress so that its features are common and uniform throughout the country. The standard dress in the United States is as follows:

#### THE GOWN

The color is usually black. The pattern varies with the degree held: square-cut sleeves for the bachelor's degree; and long, closed, sleeves with a slit for the arm for the master's and specialist's degrees. The doctoral gown is faced down the front with velvet and three bars across the sleeves.

## **THE HOOD**

Hoods are not worn for the undergraduate degrees. The master's hood is shorter than the specialist's hood, which is shorter than the doctoral hood. Hoods are lined with the colors of the school granting the degree, while the color of the binding or edging of the hood indicates the discipline in which the degree was attained.

## **THE STOLE**

All undergraduate students wear a purple stole. The stole bears the University seal and is crafted in purple, the University color. The stole represents membership within the University body as a student and continuing on in the body of SBU alumni.

## **CORDS**

Solid-colored cords signify bachelor degree students graduating with honors. Summa Cum Laude (with highest honor), a grade point average of 3.85 and above, is represented with a gold cord. Magna Cum Laude (with great honor), a grade point average of 3.70 but less than 3.85, is represented with a silver cord. Cum Laude (with honor), a grade point average of 3.50 but less than 3.70, is represented with a bronze cord. The red, white and blue cord represents those who have served or are presently serving in the United States Armed Forces.

## **GORDON & JUDY DUTILE HONORS PROGRAM**

Students seeking bachelor degrees are selected to the Gordon & Judy Dutile Honors Program at admission to Southwest Baptist University based on their service, leadership, and scholarship. To graduate from the program, honors program students complete an enriched general education curriculum, as well as honors-specific courses and an Honors Capstone Project. Dutile Honors graduates are wearing a medallion with their regalia in recognition of their completion of the program.

# *Commencement Speaker*

## WADE HOPKINS '91

Delivering the 2022 Commencement Address is 1991 alumnus, Wade Hopkins, of Houston, Texas. Hopkins was a wide receiver for Southwest Baptist University's football program and was named an All-American in both 1989 and 1991. He is seventh on SBU's receiving yards list with 1,972, eighth in receptions (116), tied for 10th in receiving touchdowns (10) and second in average yards per catch (17.00).

After college, the two-time All-American continued his football career, signing as a free agent with the Houston Oilers and then with the New England Patriots of the National Football League. He went on to play in the Canadian Football League and the Arena Football League.

During his time in Houston, Hopkins connected with the local Fellowship of Christian Athletes representative, and after his retirement from football, joined the FCA staff in October 1996. Since that time, he has been excited to lead coaches and athletes into a growing relationship with Jesus Christ and His church. As a Regional Vice President / Gulf Coast Multi-Area Director based in Houston, Hopkins has the opportunity to use sports as a tool to share the Gospel, specifically through coaches – a seed that was planted during his time as a football player at SBU.

In 2000, Mr. Hopkins was inducted into the SBU Athletics Hall of Fame. He is a member of the FCA's Hall of Honor, which recognizes staff members whose "commitment is a demonstration of the Lord's faithfulness."

Mr. Hopkins has been married to his wife Julie, an alumna of SBU, for 28 years and together they have three daughters, Bethany, Grace Ann and Bonnie.
