Classic Learning Test (CLT) Scores

The chart below is a policy guide in the placement of new students into the proper English course at Southwest Baptist University using CLT scores.

Verbal Reasoning + Grammar/Writing	English Course	Course Title
29-41	ENG 0103	English Skills
42-58	ENG 1113	English Composition I
59 and above	ENG 1123	Honors Composition

NOTE: ENG 0103 does not meet the English general education requirement, nor does it carry college credit. It is necessary to develop the skills needed for success in future English courses.

The chart below is a policy guide in the placement of new students into the proper mathematics course at Southwest Baptist University using CLT scores.

CLT Quantitative Reasoning Score	Math Course	Course Title for Recommended Placement in bold (other possible courses given as options)
3-15	MAT 0243	Mathematical Literacy
16-20	MAT 1243	Algebraic Reasoning and Modeling
21-23	MAT 1243 MAT 1163* MAT 1193	Algebraic Reasoning and Modeling, PreCalculus, Business Calculus
24 and above	MAT 1243 MAT 1163* MAT 1193 or MAT 1195	Algebraic Reasoning and Modeling, PreCalculus, Business Calculus, Calculus I

*MAT 1163 is intended for students who have skills beyond Algebraic Reasoning and Modeling, but are not quite ready for Calculus I (or do not desire to take Calculus I).

NOTE: MAT 0243 does not meet the mathematics general education requirements, nor does it carry college credit. It is necessary to develop the skills needed for success in future mathematics courses.

Advanced Placement

Applicants may receive course credit through examination or through advanced placement courses taken in high school. The examination and/or advanced placement course must be equivalent to a course taught at Southwest Baptist University. The student must submit a request to the College Board for an official AP grade report to be sent directly to the Registrar's Office at Southwest Baptist University. When the official report is received, the Registrar will record the hours on the student's transcript. (Note: Copies of the AP grade report will not be accepted.)

British A Level Examinations

1. Advanced standing may be awarded for A level examinations for the General Certificate of Secondary Education with a grade of A, B, or C.
2. The examinations must be administered by an examinations board that is recognized for university entry in the United Kingdom.
3. The total credit for each examination may not exceed 6 semester hours, and total advanced standing credit awarded may not exceed 20 semester hours.
4. Certified copies of the examination transcript must be on file in the Registrar's office.
5. Examinations in the sciences must include a laboratory component.
6. Examinations in foreign language must include a conversation component.

International Baccalaureate

1. Advanced standing may be awarded for certificate and diploma credits. The table below provides information about specific course credit and scores needed for a particular exam.
2. The total credit for each examination may not exceed 14 semester hours for any specific exam. If the student has a Diploma, the total advanced standing credit awarded may not exceed 30 semester hours. Certificates will be evaluated on an individual course basis.
3. Contact the Registrar to inquire about an exam not listed below.
4. Official transcripts must be issued by the International Baccalaureate North American Office and be on file in the Registrar's office.
5. Qualifying examinations in the sciences that do not include an extensive laboratory component will receive credit for a maximum of 3 semester credit hours.
6. Examinations in foreign language must include a conversation component.

Veterans

Southwest Baptist University is approved for the education of veterans and their dependents under Chapters 30, 31, 34, 35 and 1606, Title 38, U.S. Code. According to the recommendations of the American Council of Education, credit may be granted for courses completed while in military service.

Credit by Examination

To be eligible to receive credit by examination, applicants must not have earned more than 90 hours of university credit and may not have received university credit or any credit for any course within the academic discipline covered by the exam. Transcripts for all post-secondary work attempted must be on file in the SBU Registrar's office before applicants may apply for any of the below mentioned tests. Students may receive a maximum of 32 hours of credit by examination for a bachelor's degree or 16 hours for an associate degree.

College-Level Examination Program (CLEP)

The University Success Center, located in the Mabee Chapel building, administers the College-Level Examination Program (CLEP). This is a national system of credit-by-examination prepared by Educational Testing Services. There is a \$25 fee for administering the exam (payable to SBU) and a CLEP registration fee (currently \$89). The CLEP exams that have been approved for SBU equivalency are listed below and on the website for the University Success Center. Upon successful passage of the examination and payment of the transcription fee the Registrar will record the hours on the student's transcript.

* If the student makes an ACT English score of 28 or higher, or an SAT verbal score of 630 or higher, the Division of Language and Communication advises the student not to take the CLEP College Composition examination, but to enroll in ENG 1123 (Honors Composition).

** This CLEP examination will not substitute for specific general education or English major course requirements.

+ Biology CLEP examinees should contact the Natural Sciences Division Head regarding proof of extensive lab work before registering for the exam.

Divisional Examinations

Divisional examinations are tests prepared by professors on campus. Each divisional test is approximately two hours in length and is comparable to a comprehensive final examination in the course for which it is designed. Students wishing to take divisional examinations should contact the respective division head. There is a \$30 fee for administering the examination. Upon successful passage of the examination, the student must pay \$40 per credit hour transcription fee to the Accounting Office (Cashier), and then the Registrar will record the hours on the student's transcript.
