

# Southwest Baptist UNIVERSITY

## ASN Program Outcomes

*Current job placement rates and program completion rates for the Associate of Science in Nursing (ASN) program within the Mercy College of Nursing and Health Sciences of Southwest Baptist University. Last updated February 2021.*

### 2020 Job Placement Rates

Associate of Science in Nursing: 98% (hired as an ASN-prepared nurse at the time of graduation)

### Program Completion Rates

| Program Name | Year | Average Completion Rate |
|--------------|------|-------------------------|
| ASN          | 2020 | 84%                     |

*Completion rates are determined by noting the start date of the first nursing course and the completion date of the last nursing course in the program calculated at 150% of the published program length.*

### ASN NCLEX Pass Rates

| Year | Pass Rate |
|------|-----------|
| 2018 | 83.15%    |
| 2019 | 88.72%    |
| 2020 | 85.4%     |
