BUSINESS ADMINISTRATION EARLY ACCEPTANCE PROGRAM (EAP)

High school senior students with a minimum 25 ACT (or equivalent SAT) score and 3.5 GPA are eligible to apply on a competitive basis for early conditional acceptance into the Master of Business Administration (MBA) program. High school students and SBU freshmen should contact the MBA department for an application for early conditional acceptance consideration.

Applications should be submitted to the department on or before January 15th if you are participating in Scholars Day or April 15th prior to fall freshman enrollment at SBU. Notifications will be sent by March 15th for Scholars Day applicants or May 15th for April applications. A maximum of six awards will be given during any one academic year. If the six slots are not filled during the spring selection cycle, a late cycle pool will be considered during February of one's freshman year. If slots are not filled for any one academic year, they will not roll over or be extended.

Once a student is accepted into the EAP, the student is expected to enroll immediately and begin taking a full-time course load at SBU. All MBA prerequisite and major courses must be taken at SBU. EAP students must confirm their intent to matriculate into and pay the appropriate deposit for the professional phase of the program by March 1st in their intended enrollment year.

- Complete an internship or approved position related to selected undergraduate major
