EDUCATION SPECIALIST IN EDUCATIONAL ADMINISTRATION – SUPERINTENDENCY

COURSE DELIVERY TYPES

Online (OL) – Complete assignments when it is most convenient for you. A collaborative online learning community is facilitated by our highly qualified faculty through the Blackboard Learning Management System. A "+ #" indicates the number of real-time class sessions, if any, during the semester. Real-time class sessions may be accessed through Zoom video conferencing software, ITV or seated on campus.

Hybrid (H) – Interact with your peers and faculty through a fusion of real-time class sessions and online coursework. Real-time class sessions may be accessed through Zoom video conferencing software, ITV or seated on campus. Online coursework is facilitated through the Blackboard Learning Management System.

Arranged – Internships are arranged with faculty.
