An activity class will have its final examination on the last day of class.

An evening class starting after 5:00 will have its final examination during finals week at the same time and day as it met during the semester.

A student who has three or more final examinations on the same day can change a final exam without cost. It is recommended that the middle final exam be changed. This is handled through the office of the dean in whose college the course resides.

NOTE: Changing final exams for reasons other than having three or more scheduled the same day is generally not allowed. An appeal to change a final requires permission of the instructor and respective dean, and prepayment of the required fee.
