Southwest Baptist University is a faith-based institution of higher education who pursues an integrated approach to faith and learning. In all SBU courses, students are provided with multiple perspectives, including a Christian worldview. Some SBU online dual credit courses are being offered in a public school environment. In that context, students are given the opportunity to respond to faith-based questions or to non-faith based questions.

### Geography

**GEO 1103 Geography, Dr. Kwasi Ofori-Yeboah - 3 Hours**
Basic survey introducing the various elements of geographical study. Web-based non-proctored examinations.

### History

**HIS 2213 History of the United States, 1492-1865, Dr. Coyle Neal - 3 Hours**
Political and social survey of United States history from colonization to the end of Reconstruction.

HIS 2223 History of the United States, 1865- Present, Dr. Coyle Neal - 3 Hours
Political and social survey of United States history from the Gilded Age to the present.

Kinesiology

KIN 1162 Foundations of Physical Fitness and Wellness, Dr. Linda Wooderson - 2 Hours
Study and participation in programs recommended for development of adult physical fitness. Emphasis is on determining level of fitness, importance of fitness in total well-being, nutrition and diet selection, monitoring effect of fitness activities, selection of fitness/wellness programs, stress management, and program implementation. This course meets the MO high school P.E. requirement.

Mathematics

MAT 1143 College Algebra, Dr. Kevin Hopkins - 3 Hours
This course explores the use of algebra in the real world. This exploration takes place by examining the concept of function. Conceptual understanding of linear, exponential, logarithmic, quadratic, and other polynomial functions is grounded in the collection and statistical analysis of real world data. Functions will be used to solve real world problems using modeling techniques. The concept of function is also explored in detail using analytic geometry. This course includes recorded class lectures. Prerequisite: Must have an 20 on the math portion of the ACT.

Psychology

PSY 1013 General Psychology, Mr. Bill Walkup- 3 Hours
A “life-oriented” course including: physiological backgrounds of behavior, development, motivation, emotion, intelligence, personality, adjustment, and social psychology. Internet access and valid e-mail account required. Web-based examinations.

SOC 1003 Introductory Sociology, Debbie Gamble, - 3 Hours
Survey of major subject areas and principles of sociology: Topics of the nature and development of culture; social aspects of personality; population trends, social classes, institutions and social change.
